

Appraisals, Valuation and Cost Segregation Services

Our professionals provide valuations for tax, financial reporting, and corporate planning to clients operating in a wide variety of industries both domestically and internationally. We also provide appraisals to lenders, accounting firms, attorneys and their clients for inventory, M&E and IP opportunities. Our clients range in size from small family businesses to Fortune 500 companies.

In addition, we provide our clients with the ability to improve profitability by maximizing tax benefits on real estate and leasehold interests through cost segregation studies. Our cost segregation studies have resulted in an estimated net present value benefit of hundreds of millions of dollars to our clients.
